Remarks: For your information and appropriate action, attached is a copy of the memorandum of 24 Oct. 53 regarding liaison with the Budget Bureau which has again been called to our attention with the following note from the DD/A:

*During the past year Bureau of the Budget representatives have looked into the Agency's organization and activities more closely than at any time in the past. They have also

become acquainted with a sizeable number of personnel and there is an increasing tendency to contact such personnel for information without reference to the Comptroller.

"It is essential from an over-all Agency point of view that all liaison with the Bureau of the Budget be controlled by the Comptroller.

"Therefore, it is requested that the Director's memorandum of 24 October 1953 on this subject, a copy of which is attached, be brought to the attention of all personnel in your organization who may have any contact with the Bureau of the Budget. "
